Our ref.: 15/GR/BTS/2026

Date: November 23rd, 2026

SUBJECT: BRATISLAVA AIRPORT STATEMENT ON AIRPORT CHARGES

In accordance with § 3 (1) of Act no. 213/2019 Coll. on Airport Charges and Granting Public Contributions to Civil Aviation and on Amendments to Certain Acts (hereinafter referred to as the "Act"), Letisko M.R. Štefánika – Airport Bratislava, a. s. (BTS) (hereinafter referred to as "BTS") commenced the Consultation with Airport Users on 3rd August 2026. Invitation to Consultation meeting and "New Level of Airport Charges Proposal" was delivered to 8 air carriers that had complied with the requirements set as per the "Act". Out of all eligible carriers, three carriers (Freebird Airlines, SunExpress and Wizz Air) expressed interest in joining the meeting scheduled for November 3rd 2026, which was to be held online via the MS Teams platform.

Bratislava Airport (BTS) presented following information:

- Financial indicators for 2026 (official figures for January – August and budgeted amounts for September – December).
- Expected financing to cover Security and Firefighting costs for 2027.
- Forecast of key indicators in 2027 – expected increase of traffic and passengers to 4,6 mil.
- Expected investments and planned project to new infrastructure.
- Airport charges remain unchanged for 2027 to keep BTS competitive and support operators to increase flights. The only minor changes in official AIP for 2027 are related to training flights and parking of cargo flights.

All participants received Meeting Minutes on 4th November 2026.

Conclusion:

BTS has decided to maintain the current level of Airport Charges, ensuring that air carriers continue to benefit from a competitive advantage when operating to and from Bratislava Airport.

Yours sincerely,

Mr. Dušan Novota
Chairman of the Board of Directors
